SUBJECT: State Project U-4738
Cape Fear Crossing

To Whom It May Concern:

The North Carolina Department of Transportation (NCDOT) has retained the services of AECOM, a private engineering firm, to perform a traffic noise analysis for the proposed Cape Fear Crossing project (formerly Cape Fear Skyway) in Brunswick and New Hanover Counties, STIP Project U-4738. The project includes a new roadway extending from the vicinity of US 17 Bypass and I-140 in Brunswick County to US 421 in New Hanover County and a new bridge over the Cape Fear River.

As agents of the NCDOT, representatives of AECOM are authorized to enter upon any lands and structures to carry out and perform their duties as stated under North Carolina General Statute §136-120. The NCDOT solicits your cooperation in this work by permitting personnel of AECOM entry onto property owned or controlled by you in order that the required field work may be conducted.

If you have any questions or concerns regarding this matter, please contact me at (919) 707-6087 or gasmith@ncdot.gov.

Thank you for your cooperation.

Sincerely,

A handwritten signature in blue ink that reads "Gregory A. Smith".
