Friends of the Leland Cultural Arts Center

WELCOME

The Town of Leland's very own state-of-the-art cultural arts center, the LCAC for short, opened its beautiful doors for the first time in the Spring of 2015. Enthusiasm for art classes offered here is big, and continuing to grow, along with the variety of classes available! The facility serves as a showcase for local, regional, and eventually, national talent as well. But we need the help of our community to keep up the good work, and that's what the Friends are all about!

OUR MISSION

The Friends of Leland Cultural Arts Inc (FLCAC for short,) is a non-profit organization of volunteers charged with responsibility for fundraising to support development, maintenance and overall success of programs and projects of The Leland Cultural Arts Center. And you can help!

HOW WE DO IT

The Friends currently sponsor three major and varied events to help achieve our mission. They include our Spring Golf Tournament, Our Fall Fashion Show, and our Winter Holiday Market. So there's something for everyone! In addition, your contributions as a FLCAC donor go to support the FLCAC directly. And by all means, take a class! A busy Arts Center is a thriving Arts Center, it's so much fun!

Two dimensional projects, such as drawing, painting, and collage, will focus on design elements such as color, line, and shape. Using clay, campers will take inspiration from textures and patterns found in space when they learn the basics of hand building techniques and out-of-this-world wheel throwing.

Afternoons: They will learn the ins-and-outs of staging, pantomime, and character development as well as relaxation techniques. Your children will learn how to groove and boogie down in our brand-new dance studio. Through movement, your child will develop body awareness, rhythm, and coordination! By week's end your children will be ready for the big stage!
