Multi-Purpose Room

The multi-purpose room has a full projector screen, stage, and state-of-the-art tech loft perfect for theatrical performances. Spacious and fully equipped for any kind of acting fun engagement or event, the multi-purpose room is great for meetings, receptions, and more! We have limited 5ft rounds and 8ft banquet tables and chairs for your use at no additional charge. (See Diagrams below for an approximant idea on layouts)

Capacity

300 Standing Room only
200-225 Theater Style
184 -5ft Round tables without Dance area
125 - 5ft Rounds tables with Dance area

Hall Gallery Space

The hall gallery is a great space to use in addition to the multipurpose room. It works well as a space for appetizers and drinks before an event, a buffet station or as a small gallery space on its own. Please note that this space is only available for rental outside of regular hours of operation since it is the main hall for facility.

Classroom

Our media classroom is equipped with a state-of-the-art projector screen with a brand new projector, perfect for aiding in teaching with technical classes like digital photography and editing. This room is great from small gatherings and meetings.

Capacity 20-35 max. depending on set up and type of tables used.
