Leland Reorganizes Staff

Press Contact: David Hollis
910-371-1249

LELAND – The Town of Leland has implemented an institutional reorganization in order to improve organizational efficiency and customer service. Several positions were eliminated as a part of the restructuring, and several new positions will be advertised in the coming weeks.

The reorganization includes the elimination of three administrative positions and one position within the Building Inspections Department. Also included in the move is the release of Timothy Jayne as the Town's Police Chief. Deputy Chief Karl Smith will serve as interim chief until a long-term interim chief is appointed or a permanent replacement is hired.

"The Town is ready to move in a new direction," said Town Manager David Hollis. "The moves we have made will improve our organizational efficiency and allow us to better serve the public and our employees."

In the coming weeks, the Town will advertise for a new Police Chief, Human Resources Director, Code Enforcement Officer and Executive Assistant. Information on the positions will be available on the Town's Web site, www.townofleland.com.
