More information

Be advised that if you intend to install any accessory structures (pool, shed, fence, etc) during initial construction, are applying for a pool of any type, location and setbacks of all accessory structures must be shown on the submitted plans here. Failure to do so will result in the property owner having to obtain a separate zoning compliance permit for each.

You may be required to submit plans drawn by a registered surveyor.

You may also be required to located, stake and flag all corners and boundaries of the subject property
