

LELAND POLICE DEPARTMENT TEXT ALERT SYSTEM

A helpful addition to keeping a weather radio at home is the Leland Police Department's Text Alert System. You can receive weather and emergency notifications anytime you have your cellphone with you. This is especially useful if you are not at home or near a Weather Radio.

Anyone wishing to receive text alert messages from the Leland Police Department can sign up by sending a text message to **888777** and adding the keyword **LPD411** in the message line. These messages will include Emergency Alerts and advisory messages.

There is no subscription charge for this service.
