PUBLIC NOTICE OF DISCHARGES REQUIRED BY HOUSE BILL 1160

The Town of Leland had a discharge of untreated wastewater on November 14, 2009 from our collection system located at 8900 Timberlane of approximately 112,000 gallons. The discharge was first discovered on November 14, 2009 at approximately 9AM and continued on and off until repairs were finalized around 9:30PM. The untreated wastewater entered Sturgeon Creek thru storm drains. The section of force main that had ruptured was dug up and replaced. This notice was required by North Carolina General Statues Article 21 Chapter 143..215.C.

The Division of Water Quality was notified of the event on November 14, 2009 and is reviewing the matter. This notice is required by North Carolina Statues Article 21 Chapter 143.215.C. For further information you may contact Town of Leland, Town Manager Bill Farris, 910-371-0148.
