Permitting & Inspections Department
Phone 910-371-3754

This form is used for conditional approved development site plans, preliminary plats, and planned unit development (PUD), site specific plans that have been modified as a result from a water and sewer plan approval and stormwater permit. Any additional modifications to the plan set may result in a new application.

Project Name:

Applicant:

Email:

Phone Number

Select one

- ☐ No revisions to the plan as a result of the water and sewer plan and stormwater permit
- ☐ Revisions have occurred as a result of the water and sewer plan and stormwater permit. I am providing detailed descriptions of the plan modifications (add additional sheets if needed):

The undersigned does hereby declare that I have the authority to make the above changes and the information given above is correct. I agree to comply with all state and local law, and local ordinance and regulations. I understand that for review of a revised project, in combination of this form, is dependent upon the completeness and accuracy of the information provided and that any inaccurate or inadequate information provided may delay the proper review of this application.
