Baldwin Drive Improvements

September 22, 2022

Brannon Richards, Public Services Director

Christie Schreckengost, Project Manager

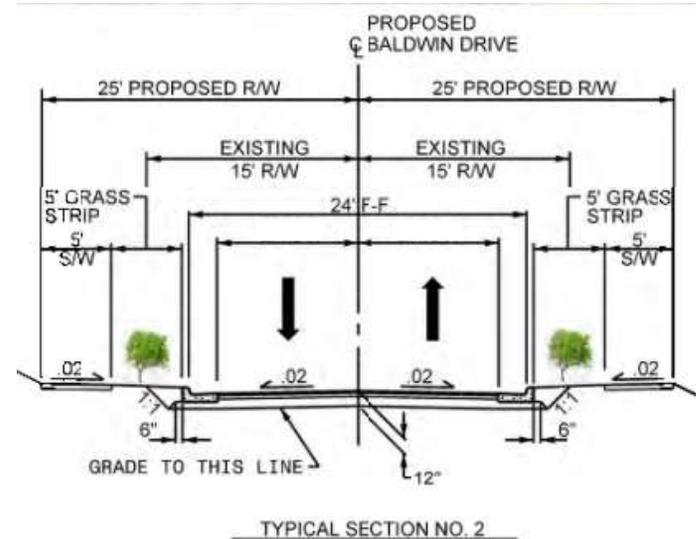

Doug Petry, WithersRavenel

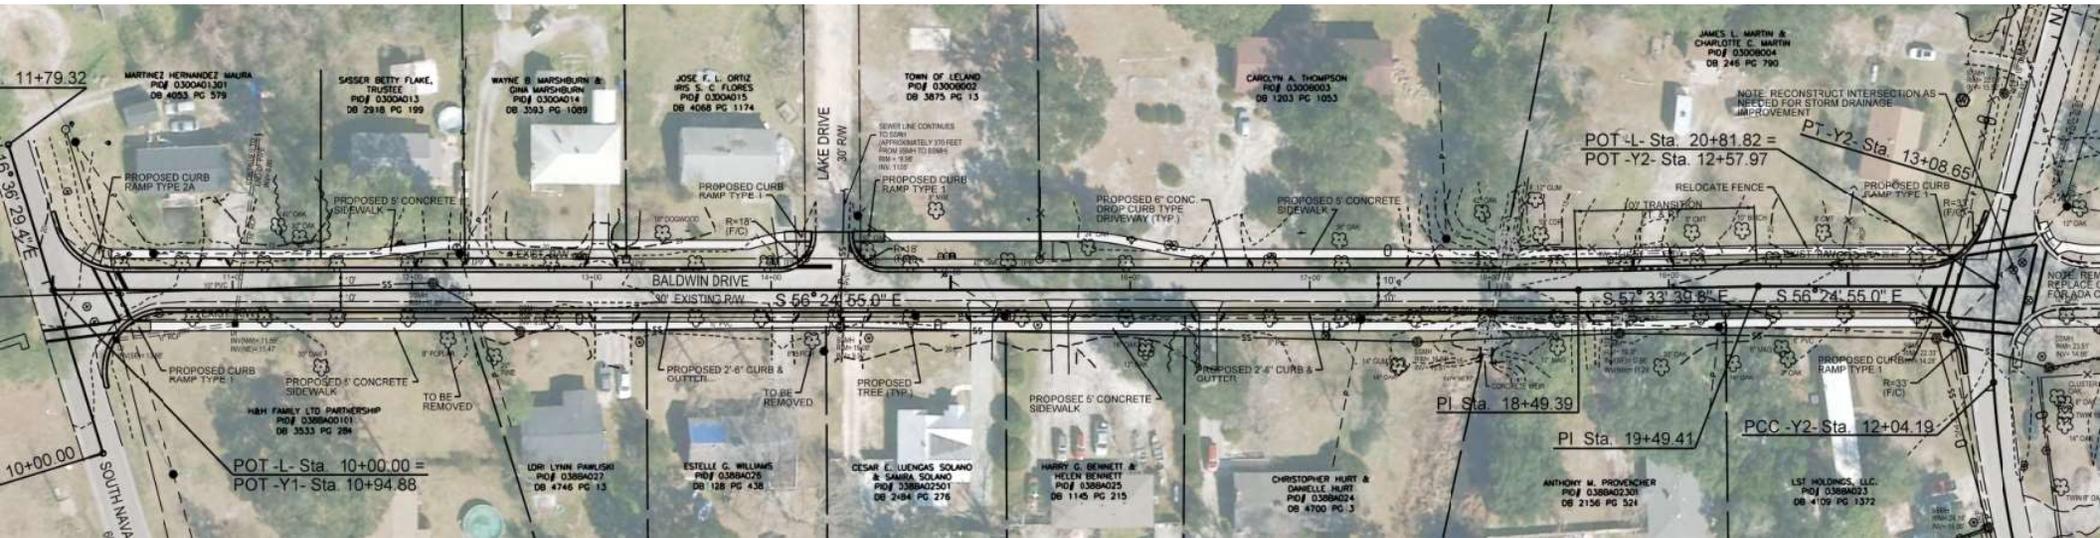

Project Background

- Project to improve Baldwin Drive from South Navassa Road to Lee Drive
- Project will improve safety for both pedestrians and motorists and better serve the developing areas within Leland
- Project includes:
 - Improvements to Baldwin Drive including new asphalt and curb & gutter
 - Pedestrian improvements, including new sidewalks on both sides of the road
 - Stormwater collection
 - Intersection Improvements at Lee Drive

Project Information

- Road design includes:
 - 10-foot travel lanes with curb and gutter
 - New striping, including center-line stripes
 - Planter strip with trees
- Pedestrian Improvements:
 - New 5' sidewalks
 - ADA compliant curb ramps at Lee Drive
 - Crosswalks
- Stormwater collection

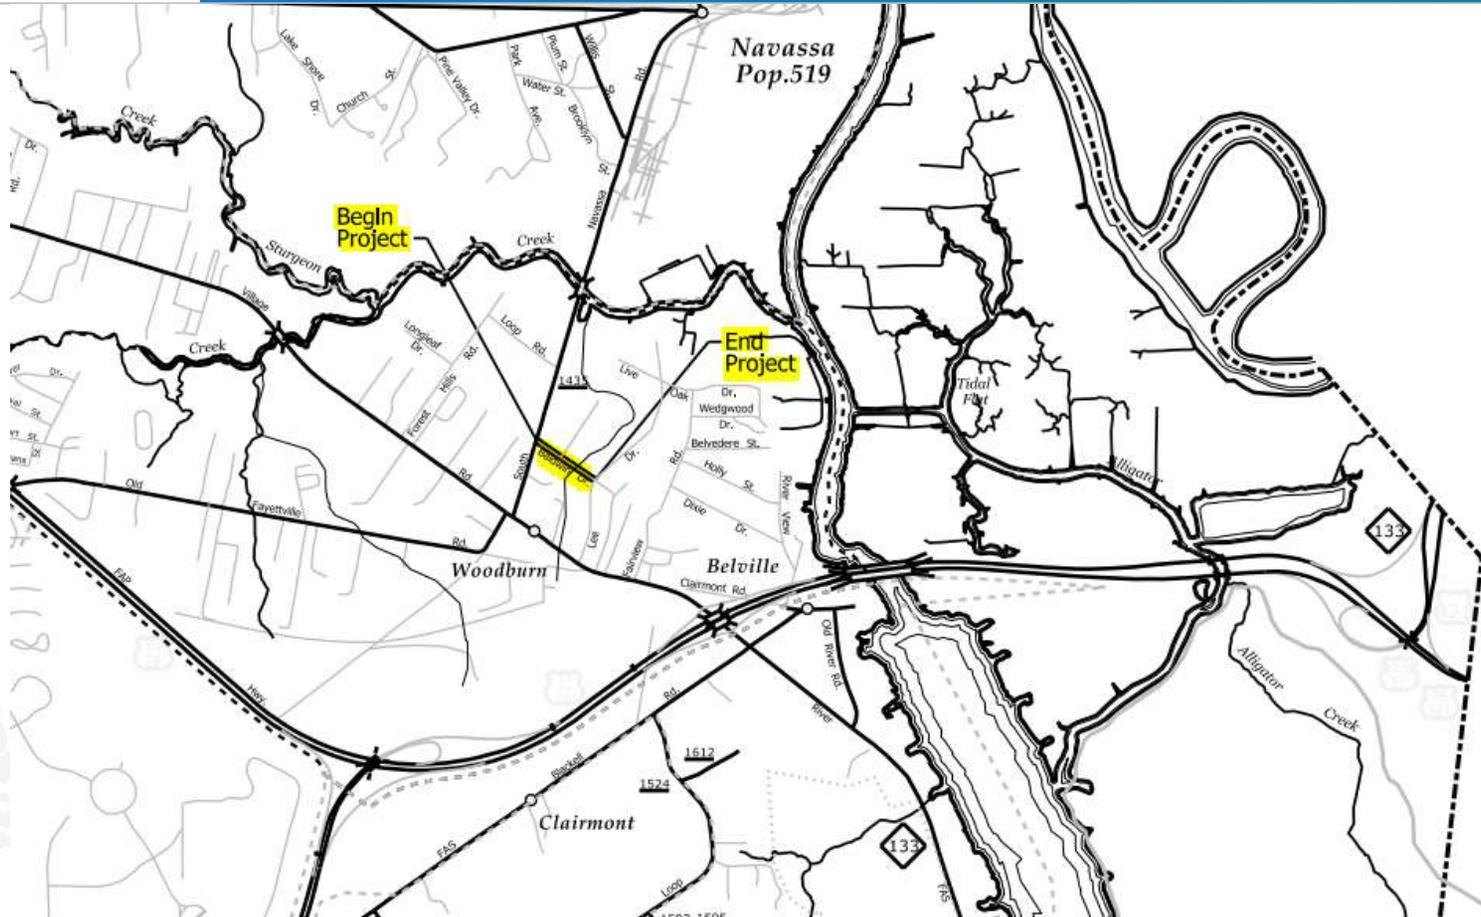

Project Status

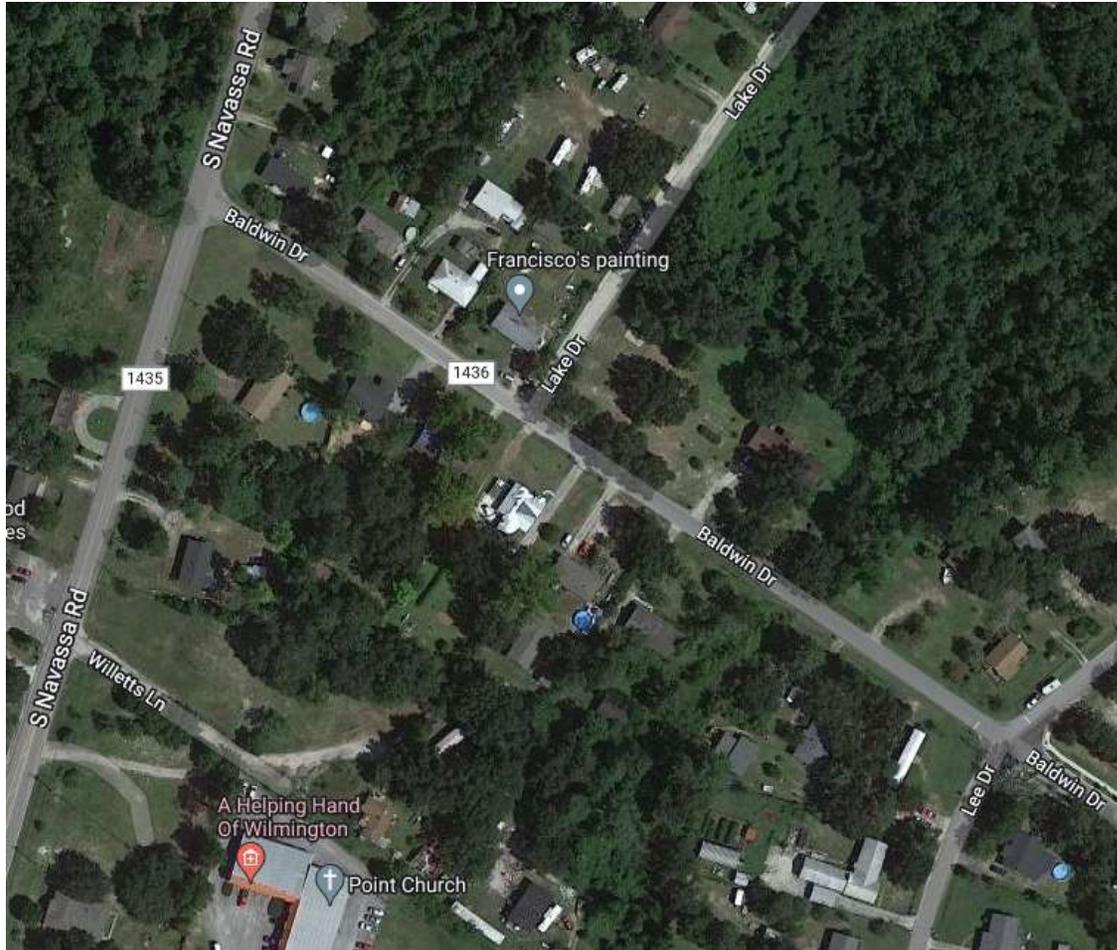

- 15% Design/Concept Plans completed, including comments from area stakeholders (WMPO, NCDOT, H2GO, etc.)
- Schedule:
 - Complete Design and Permitting - Fall 2023
 - Obtain NCDOT Encroachment Permit for work near South Navassa Road
 - Right-of-way and temporary construction easement acquisition with all affected property owners
 - Bid and Award Project - Fall / Winter 2023
 - Construction Start - Spring / Summer 2024
