**REQUEST FOR RELEASE OF FUNDS**

On or about March 3, 2026, the Town of Leland will submit a request to the Department of Housing and Urban Development (HUD) for the release of FY 2023 Community Project Funding funds under Title I of the Housing and Community Development Act of 1974, as amended, to undertake a project known as the Gateway District Utility Resiliency Project for the purpose of relocating approximately 4,800 linear feet of existing Duke Energy overhead power and telecommunication lines to approximately 42,500 linear feet of underground conduit within the same general footprint of the existing utility corridors. Improvements are planned primarily along Village Road NE, with potential utility improvements extending onto adjacent streets.
