Public Works Department  
Phone 910-371-0148 Fax 910-371-1073

Project Name: \_\_\_\_\_

Inspection Date: \_\_\_\_\_

Permit Number: \_\_\_\_\_

SCM Location: \_\_\_\_\_

SCM ID #: \_\_\_\_\_  
(As labeled on Town-approved Plans)

This SCM is currently:

☐ acting as a temporary sediment collection device OR ☐ a permanent SCM

#### CODE KEY:

N/A = Not Applicable M = Monitor (potential for future problem)  
NP = Not a Problem WN = Work Needed

#### PERIMETER

| Assessment                                  | Code | Explanation |
|---|------|-------------|
| Accumulation:<br>Vegetation/Debris/Sediment |      |             |
| Bare soil/erosion gullies                   |      |             |
| Vegetation length (too<br>short/too long)   |      |             |
| Other (describe)                            |      |             |

#### FLOW DIVERSION STRUCTURE

| Assessment                                 | Code | Explanation |
|--|------|-------------|
| Obstruction:<br>Vegetation/Debris/Sediment |      |             |
| Erosion/Undercutting                       |      |             |
| Structure Condition                        |      |             |
| Other (describe)                           |      |             |

**FILTER BED / UNDERDRAIN SYSTEM**

| Assessment                                  | Code | Explanation |
|---|------|-------------|
| Accumulation:<br>Vegetation/Debris/Sediment |      |             |
| Erosion                                     |      |             |
| Invasive Vegetation                         |      |             |
| Ponding (>24 hours after storm)             |      |             |
| Other (describe)                            |      |             |

**OUTLET DEVICE(s)**

| Assessment                                 | Code | Explanation |
|--|------|-------------|
| Obstruction:<br>Vegetation/Debris/Sediment |      |             |
| Device Condition                           |      |             |
| Other (describe)                           |      |             |

**MISCELLANEOUS**

| Assessment       | Code | Explanation |
|------------------|------|-------------|
| Trash/Debris     |      |             |
| Access           |      |             |
| Vandalism        |      |             |
| Fence Condition  |      |             |
| Signage          |      |             |
| Other (describe) |      |             |

**PHOTOGRAPHS** Attach digital photographs of the site and structural control measure(s) including a caption describing the photo.
